

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Entered as second-class matter May 4, 1906, at the post office at Pasadena, California,  
under Act of Congress of March 3, 1879.

Issued from The Office of The Condor, 871 No. Lake Ave., Pasadena, Cal.

**WANTED**—To secure additions to my collection of photos of Western birds' nests and eggs *in situ*. A large list to select from in exchange. Correspondence invited.

R. I. BRASHER, 97 Clark St., Brooklyn, N.Y.

**FOR SALE OR EXCHANGE**—Bendire, Life Histories of N. A. Birds, both vols.; Fisher, Hawks and Owls of the U. S.; The Condor, Vols. I-V; Ridgway, Birds of N. and Mid. America, Vol. I; a few other books and magazines, all in fine condition. **WANTED**—a good edition of Wilson's Ornithology, part II of Coues' Ornith. Bibliography, Ridgway's Birds of the Fortieth Parallel, Avifauna No. 3, and others.

CHARLES R. KEYES,  
Mt. Vernon, Iowa.

**WANTED**—To sell my collection of over 900 bird skins; mostly California specimens, with partly eastern exchanges. Will exchange part for guns or good 8x10 camera. Write for list.

J. R. PEMBERTON, Stanford University, Cal.

**WANTED**—Van Denburgh's "Reptiles of the Pacific Coast and Great Basin;" must be in good condition. Will pay cash or exchange eggs in sets. C. S. SHARP, Escondido, Cal.

**FOR EXCHANGE**—Bird and Mammal skins from this locality for the same from any other locality; common species preferred. I have good skins with accurate data and expect the same in return. HURBET O. JENKINS,  
Stanford University, California.

**WANTED**—Will pay cash, or good exchange in mammal or bird skins for following publications: Coues' Ornithological Bibliography, 2d and 3d installments. Palmer's Extermination of Noxious Animals by Bounties (separate from Yearbook U. S. Dept. Agr. for 1896); Merriam's Geographic Distribution of Plants and Animals in N. America (separate from Yearbook U. S. Dept. Agr. for 1894).—J. GRINNELL, 576 N. Marengo Ave., Pasadena, Cal.
